

Hi. My name is Carrie Lynn Potter. I am a St. Francis School and BHS graduate and I attend St. Francis Church. I work in the preschool at St. Francis School as a teacher's aide. I have worked in the preschool for 17 years. I started in 1992 when I was a senior in high school as part of a work study program. In 1993, I came back to volunteer and volunteered for five years before becoming a part of the staff.

I was born in Brainerd and lived in Baxter my whole life. I am one of six kids in my family and have three brothers and two sisters. They are all alumni of St. Francis School.

When I am not working I like to spend time with my family and taking care of my nephews and nieces. I like to take them camping (that can be interesting at times). I also have two dogs and a black lab Chesapeake named Lucy and a St. Bernard named Greta.

I am so thankful to be a part of the school and to work with such wonderful people. The children are so excited to be there and to learn. Learning about God is also very important. Watching them grow and mature over the school year makes me proud.
