

Last August the St. Francis of the Lakes Golf Classic was held at the Legacy courses. This fundraiser utilized hole sponsorship, prize donation, prize drawings and Tournament Sponsorship to raise \$6500 net profit in a single day event!

There were 50 golfers making up nearly 13 foursomes and golfers came from all over the state. Our clergy were all participating and it was a fantastic day! After the tournament, there was a chipping contest followed by a dinner and prize ceremony. There were approximately 20 volunteers who helped organize, coordinate and run the event. Help ranged from prize collection, to sponsorship gathering, to helping the day of the event with registration, lunch, and many other areas.

This is a fantastic way to help out the school, and who doesn't like a day off to golf in the summer at one of the states premier golf courses? So if you have an interest in planning, could help with sponsorship in any way, or just want to support the school by golfing in the event, please contact Mark Lelwica at mlelwica@gmail.com or 218-851-8437 or Nick Hoelz at nickhoelz@yahoo.com or 218-830-7309.

Looks like our date for 2012 will be August 9th so mark your calendars. It's only 10 months away!
