

Fishing anyone?

The Brainerd Jaycees are excited to host the 22nd annual Brainerd Jaycees \$150,000 Ice Fishing Extravaganza on **Saturday, February 11th** at Hole in the Day Bay on Gull Lake. In the past 21 years, the Jaycees have donated over \$2 million dollars from the Extravaganza to local non-profit organizations.

St. Francis of the Lakes Catholic School has the opportunity to earn some of that money. By providing workers on that day, our school can help the Jaycees in a big way. Over a thousand volunteers are needed. In previous years we have ridden on warm buses, helped run the Kids' Ice Olympics, and sold tickets on ice in the **HEATED** ticket tent. Although we are unsure as to what we will be doing this year, we do know that our help is needed. Our goal is to have 20 adults.

The more workers our school provides greatly increases our potential of earning money. The number of workers on the ice correlates to the perspective amount of money donated to our school. Simply put, the more people we have working = the more money we may receive.

We need your help. Please sign the bottom portion of this paper and return to school if you know, or even think, you will be helping. If you are unsure at this time, your assistance will still be appreciated

If you have any questions, please contact Cori Wrobel at 829-2344 or cori.wrobel@stfranciscatholicschool.org. If you would like more information on the contest itself, please go to www.icefishing.org.

God bless,

Cori Wrobel

5TH-8TH GRADE FAMILIES -WASHINGTON D.C. TRIP

We would like to encourage all families to volunteer for the Ice-Fishing fundraiser. It is our intention to earmark these fundraising monies for student expenses for 8th grade Washington D.C. trip. If your family volunteers for this event, a portion of the proceeds will go towards that student's travel expenses. We will not know a specific amount until after the fundraiser/event.
