

IT'S TIME FOR THE PENNY COMPETITION!

Students and school staff, join us in this St. Francis Lenten tradition.

How the penny competition works: Each team (students vs. staff) has a container for collecting coins or dollar bills. The value of any pennies collected by a team count positively toward that team's point total, while the value of other coins or dollar bills are subtracted. Therefore, in a competition between Team A and Team B, a contributor who wants Team A to win will place pennies into Team A's container and nickels, dimes, quarters or dollar bills into Team B's container.

The collection containers will be available for donations during school hours in the entryway across from Heidi's office. CEC volunteers will count the money at the end of the week so the ranking can be announced the following week.

We will also display each team's container at the Friday Fish Fries with explanation about how the competition works.

The contest starts on Ash Wednesday and ends on Wednesday, April 4.
